*CPLP Study Groups are sponsored by the local KC-ASTD Chapter to support candidates in the greater Kansas City area who are seeking this new national certification. It is not required for candidates sitting for the exam but has a proven track record of successfully preparing professionals for the exam and work product. All study group sessions are taught by professionals with many years of experience in their area(s) of expertise. Some are CPLP-certified. All are volunteering their time to help candidates achieve certification. Register for the study group on the chapter website: [www.kcastd.org](http://www.kcastd.org)*
